

Tract No.: 1519-52.51-1

SURVEY PERMISSION FORM

Manchester Plaza, Inc. (the "Owners") and URS Corp., its affiliates, agents, employees, and contractors, as well as its surveyors, biologists, archeologists, and environmental scientists, (collectively "URS") hereby agree to give URS permission to enter upon Manchester Plaza Inc.'s property described below ("Property") to conduct civil surveys, environmental surveys, cultural resource surveys, and all other surveys and tests necessary for a pipeline route study, including, but not limited to the placement of stakes, limited non-mechanical (by hand) line-of-sight clearing, and geotechnical soil borings, subject to the conditions set forth in this agreement. Those conditions are as follows:

1. URS agrees that it shall limit its use of the Property to the locations shown on the attached Exhibit A.
2. Prior to entering the Property, URS shall name the Owner as additional insured on its General Liability policy on a primary and non-contributory basis covering URS's use of the Owner's property and will provide written proof of same to Owner upon Owner's request.
3. URS shall indemnify and hold harmless the Owner and their agents and employees, from and against all claims, damages, losses, and expenses, including reasonable attorney's fees and defense costs, arising out of URS's use of the Owner's property. This includes but is not limited to claims for bodily injury, illness or death, or for property damage, including loss of use.
4. This indemnification and hold harmless agreement shall apply in all instances whether URS is made a direct party to the initial action or claim or is subsequently made a party to the action by third-party in-pleading or is made a party to a collateral action arising, in whole or in part, from any of the issues emanating from the original cause of action or claim. URS understands and acknowledges that the

indemnification and defense obligations it is giving include claims arising from the active or passive negligence or strict liability of the indemnified parties but do not include claims that are finally determined to result from the sole negligence or willful misconduct of the indemnified party.

5. URS represents it has workers compensation insurance in the statutorily required amounts and will provide written proof of same to Owner upon Owner's request.
6. URS shall provide two (2) days prior written notice before accessing the site for the surveys
7. URS acknowledges the Owners make no representations or warranties regarding the condition of the Property.
8. URS agrees that it shall not make any written report of its findings regarding the Property until the preliminary results of the Survey is discussed and approved by the Owner.
9. URS acknowledges and understands that Owner's granting of survey permission in no way shall be viewed as Owner's consent to an easement on the Property or any proposed easement location and if any easement is granted it shall be subject to a separate negotiated easement agreement. Furthermore, if an easement is granted in the future, URS acknowledges that any easement would be subject to Owner's rights to fully develop its property and pave over any underground improvements and that URS will not object or seek to place any conditions on the full development of Owner's Property.
