Re: NJNG Pipeline Project

Dear Susan:

Enclosed please find the Pinelands Commission letter for the NJNG-SRL Pipeline Project which I have executed on behalf of Consolidated Rail Corporation, as owner of the railroad right-of-way that the subject pipeline will cross in the vicinity of milepost 65.5 of the Southern Secondary Rail Line. That section of the track is currently inactive. However, prior to the Pinelands conducting the inspections authorized pursuant to said letter, they should contact me to ensure that there are no safety precautions that need be taken in the event that rail is reactivated in the interim. They may contact me for that purpose. Thank you.

Sincerely,

  
John K. Enright

I hereby authorize the staff of the Pinelands Commission to conduct such onsite inspections of the parcel as are necessary to review this application and ensure compliance with the requirements of the Pinelands Comprehensive Management Plan. I also acknowledge that if my application involves extraordinary or complex issue(s) that necessitate the retention of consultants with expertise in such matters, I will be advised of that need and the amount of money that must be placed in escrow to retain the consultants and that review of my application will not proceed until I provide the required escrow amount.

I hereby certify that the information furnished on this application form and all supplemental materials is true.
