<b>TOTAL:</b>	<b>\$ 500/sample</b>

PAS has specialized and has been certified for drinking water sampling and analysis by the NJDEP since 1995. Check out our website at: [www.drinkingwatertesting.com](http://www.drinkingwatertesting.com). We are a local lab and can easily accommodate your sampling and analysis program with our excess capacity. All results will be available within 1 week of sampling. All of our data is legally defensible and we have given expert testimony in court involving projects with several of our clients.

Thank you for contacting us and please call us with any questions.

Sincerely,

---
